Charting the skies of Bhutan

Chan Brothers Travel is launching its year-end charter flight to Bhutan, famously known as the "Happiest Country in the World". Instead of Gross Domestic Product (GDP), it champions the philosophy of Gross National Happiness (GNH) as a measurement of a population's quality of life. With its picturesque monasteries and dramatic landscapes, it comes as no surprise that Bhutan continues to hold appeal for many Singaporeans as a tourist destination and a place to escape from the hustle and bustle of city life.
