Double the Value and Double the Fun at Chan Brothers Double Bonanza Travel Fair

Abundant opportunities for travel bargains abound as the twice-yearly much anticipated travel main event comes around on 3 and 4 March (Saturday and Sunday) at duo venues — Suntec Singapore Concourse (Level 3) and Suntec City Mall West Atrium (Level 1). Often dubbed as the barometer of the travel industry, Chan Brothers Double Bonanza Travel Fair will see the launch of new itineraries and classic perennial favourites for the upcoming travel season, promising to showcase unprecedented offer highlights to allow Singaporeans to realise their dream vacations with greater value. This year's travel fair features a line-up of over 20 local and overseas exhibitors including an exclusive Japan destination showcase with activities such as DIY origami earring sessions, snack and sake tasting and kimono dress-up photo opportunities with free animated prints.

Witness a Different Side of Europe

Those looking to travel beyond classic central Europe can consider turning their attention to the lesser-known destinations of Europe for a different kind of experience. While France draws in the big crowds with its chateaus, French wines and fine way of life, imperial Austria charms with its effortless combination of urban and the outdoors. Enjoy up to \$400 off per couple when you opt for the [10 days Wonders of Austria and Switzerland](#), which features attractions such as Innsbruck's world-famous Golden Roof and the historic medieval Mondsee Abbey, the filming site for the spectacular wedding scene in "The Sound of Music"; and a trip to the delightful musical city of Salzburg, known as the hometown of Mozart.

During the summer months, Arctic regions such as Finland, Iceland and Greenland become perfect places to witness one of nature's most magnificent occurrences — the midnight sun. Brace yourself for some awe-inspiring displays when you visit as the skies set ablaze in brilliant splashes of pink and gold while the sun goes down, before rising again mere hours later. The sun never dips entirely below the horizon during this period, casting a gorgeous glow upon the land and resulting in bright nights that last for around three months. On the [12 days](#)

[Sensational Greenland](#), soak up the ethereal light of summer unique midnight sun sailing cruise where you will sail among magnificent icebergs.

With mild winters, dry summers, never-ending coastlines and an abundance of the freshest produce both of the land and sea, it is no wonder southern Europeans are known to have a voracious appetite for life. Greek gods, goddesses, myths and legends; you name it – join the [9 days Romantic Greece Semi Tour](#) at an all-in fare from \$2148 and see ancient Greece come to life in the ruins of Athens.

Stunning Nature Meets Modern Luxury in Glamping

Why settle for the discomforts of camping when you could add in amenities? Why be stuck in a hotel when nature's beauty beckons? Glamping, or glamorous camping, offers the best of both worlds and takes you away from the bustling city, bringing you a step closer to Mother Nature without sacrificing familiar comforts like a comfy bed and toilet facilities. With glamping spots all over the world, you can choose to wake up in a romantic canvas tent to ocean views or unwind in a serene glamping spot secluded within nature. Not sure where to begin? Head Down Under and try the **7 days Glamping up Melbourne and Beyond Self-drive Convoy with Mediacorp Artiste Jeffrey Xu** departing June 3, which includes a 2-night glamping experience with a stargazing tour and BBQ dinner in the beautiful surrounds of Mornington Peninsula, a region renowned for its coastal living with a hint of European charm. Here, you can also immerse yourself in a wonderland of mazes, themed gardens and more at the Enchanted Adventure Garden, an award-winning outdoor adventure park with something for everyone.

Resurgence in Exotic Locales

With Singaporeans' penchant for travel and discovery of new destinations, the demand for exotic destinations has been steadily growing. Looking for new places to visit? Take advantage of the fair's 1-for-1 offer and fulfil your dream vacation in the City of Gold in the [6 days Dubai Fantasy](#) from \$1938 excluding taxes. Known for sightseeing attractions such as the Burj Khalifa and massive, luxurious shopping malls, look beyond Dubai's glitzy cityscape and discover the vibrant heritage and culture that lie within. Turkey also proves to be an affordable vacation spot for travellers as its currency, the lira, continues to decline. Since tourism has suffered amidst recent strife, bank on the opportunity to enjoy huge savings on your shopping, dining and entertainment. Opt for the [9 days Pleasures of Turkey with LOVE 97.2FM DJ Chen Biyu](#) departing May 27, which encompasses the key highlights of Turkey including Istanbul, Pamukkale and Cappadocia; or the 1-for-1 [10 days Turkey Special](#) from \$2088 excluding taxes, which comes with a free upgrade to a 5-star hotel in Istanbul and features visits to the Ruins of Troy and the famous archaeological site of Ephesus.

This December 20, Chan Brothers Travel is also launching its year-end exclusive direct charter flight to Bhutan, famously known as the “Happiest Country in the World”. Don a pair of your most comfortable shoes and embark on a soul cleansing hike to one of Bhutan’s most iconic landmarks, Taktsang Lhakhang or Tiger’s Nest, in the **5 days Bhutan Bliss**. With its picturesque flower gardens and quaint villages, Khao Yai in Thailand is another trending destination that is perfect for a short relaxing getaway. On the [5 days Thailand With Khao Yai Wellness Retreat with LOVE 97.2FM DJ Wendy Xiaoying](#) departing June 7, skip the crowds at the busy capital city and spend most of your vacation time discovering the temple ruins of Ayutthaya and exploring the idyllic town of Khao Yai.
